Gordon Brush® has taken the steps necessary to obtain information from our vendors as to the content or Restriction of Hazardous Substances (RoHS 3) DIRECTIVE 2015/863 EU OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL, on the restriction of the use of certain hazardous substances in electrical and electronic equipment. Gordon Brush® declares that none of these metals/substances are found in our products and if there are, they pass the allowed threshold by weight. The part(s) do not exceed the maximum concentrations of 0.1% by weight in homogenous materials for lead, hexavalent chromium, mercury, polybrominated biphenyl (PBB), polybrominated diphenyl ether (PBDE), 0.01% for cadmium, Bis(2-ethylhexyl) phthalate (DEHP) Butyl benzyl phthalate (BBP), Dibutyl phthalate (DBP) and Diisobutyl phthalate (DIBP).

In addition, Gordon Brush® declares that none of the 253 Substances of Very High Concerns, as listed in REACH, are found in our products or that pass the threshold of 0.1% based on weight.

Moreover, Gordon Brush® declares that none of its products use the 3TG's conflict minerals (tantalum, tin, tungsten, and gold), except for acid brushes, part numbers 900431, AB4, AB4N, AB5, AB5N, AB8. Gordon Brush® certifies that its acid brushes are manufactured with tin that is derived from material that is Democratic Republic of the Congo (DRC) conflict-free.

Based on our due diligence of our upstream supply chain of raw material and component suppliers, we certify that, to the best of our knowledge, our products are in full compliance with all applicable federal, state, and international regulations regarding Per- and Polyfluoroalkyl Substances (PFAS).

We also certify our compliance with the United States Toxic Substances Control Act (TSCA), 15 U.S.C. (S) 2601 et seq. Based on the information provided by our suppliers and our current product knowledge, Gordon Brush Mfg. Co., Inc. declares that the chemical substances, mixtures, and/or articles supplied to your company comply with all applicable rules and orders under TSCA. Specifically, all substances contained in our products do not contain any of the restricted Persistent, Bio accumulative, and Toxic (PBT) chemicals outlined under TSCA Section 6(h) above legal threshold limits. Moreover, any toxic chemicals from the manufacturing process are disposed of by an EPA certified vendor.

Based on information provided by our supply chain we declare that, to the best of our knowledge, all products, subcomponents, and packaging materials are in full compliance with the Stockholm Convention on Persistent Organic Pollutants and Regulation (EU) 2019/1021 and do not contain intentionally added substances restricted or prohibited under Annex I or Annex II of the (EU) 2019/1021 regulation and/or do not exceed maximum concentration limits for unintentional trace contaminants as defined by the POPs directive. (POPS)

This environmental compliance statement is, to the best of our knowledge, accurate as of the date indicated on this page. As some of the information is based upon data provided from sources outside the company, Gordon Brush® makes no representation or warranty as to the accuracy of this information. Gordon Brush® continues to work toward obtaining valid and certifiable third-party information but has not necessarily conducted any analytical or chemical analyses on all materials or purchased components. In no event shall Gordon Brush's liability arising out of such information exceed the purchase price of the Gordon Brush® items sold to our customers.
